

# Comparing the Rome and Han Empires

*Make notes on your empire. Include the following themes.*

1. **Growth of the Empire** (method of conquest, motivation for individuals within the empire)
2. **Method of rule** (infrastructure, use of army, bureaucracy, law, resistance)
3. **Integration and spread of local and foreign culture** (patriarchy, language, assimilation, religion)
4. **Reasons for decline / fall**
5. **Legacy of empire**

*Present your notes to your partner and take notes while your partner presents. Come to an agreement on the similarities. You will need this to prepare for the 2.2 writing quiz (major grade).*

	Unique characteristics of Rome	Unique characteristics of Han	Similarities between both
Growth of the Empire (method of conquest, motivation for individuals within the empire)			
Method of rule (infrastructure, use of army, bureaucracy, law, resistance)			
Integration and spread of local and foreign culture (patriarchy, language, assimilation, religion)			
Reasons for decline / fall			
Legacy of empire
